

NAVY CHILD AND YOUTH PROGRAM YOUTH AND FAMILY PROFILE

The Navy Child and Youth Program (CYP) Youth and Family Profile is designed to help CYP Professionals get to know the children, and youth enrolled in our School Age Care programs. The information gathered will be used by CYP professionals to develop relationships and activities to better serve our customers.

Depending on the age of the child or youth, this document can be completed at home between the sponsor and the youth, at the CYP facility between the CYP professional and the youth, or solely by the youth. FAMILY ENGAGEMENT OPPORTUNITIES

Child & Youth Programs strives to strengthen the practice of engagement through continuous program improvement. As a component of that philosophy, Navy CYP believes family relations are an essential component of quality child care, the CYP and the military community. Our programs promote engagement by inviting family members to share interests, talents, abilities, knowledge, and skills as inclined. There are a myriad of opportunities available for parent participation throughout the year from participating on the Parent Involvement Board (PIB) to assisting on field trips or during a CYP event.

Please check the activities that you might be interested in participating in. Or, add other skills and talents that you would like to contribute to our CYP program!
